Transformation to Transcendence Learning Institute

Presented By:
Texas Southern University College of Education
(Department of Counseling)

Dr. Harry L. Campbell
President, Biofeedback Resources International Corp.

Building Transformers and transformation practices for now and the future!
Looking for ways to keep your life thriving, make your life more meaningful, or learn how to build mind-body-spirit balance in your life, business, counseling practice, ministry or your community.

OBJECTIVES

- To identify current evidenced–based, specific diagnostic and treatment approaches, counseling skills and modalities that will lead to change in personal, community, behavioral, and addictive disorders.
- To participate in transformational workshops and activities that build closer and more meaningful relationships through mind-body-spirit connections.
- To identify spiritual physical and mental symptoms that lead to personal and community illness. Further, how enhanced belief practices help link the life process toward mind-body-spirit transcendence.

FOCUS

- Meet and talk with Community Leader, Psychologist, Counselors, Pastors
- In the same place for the same reason–YOU AND YOU IN THE COMMUNITY
- The Institute will be full of informational tips, counseling and coaching out of difficulties, illness, and strategies to implement transformation process out of Depression, unhealthy stress, relationships, and pain.
- The Institute will provide opportunity to experience your personal needs, best growth opportunities, ways to improve life with loved ones and the community for balance. As a participant, time will be provided to practice ways to change hesitation, frustration into meaningful directions and success. Learn the secrets of Mind-Body-Spirit connections for life transformation.

Continuing Education Credits
We will offer continuing education credits and have been submitted for approval:
Counselors, Pastors, Social Workers, Psychologists, Nurses
